TOWN COUNSEL

Peter G. Hastings, Esquire

TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF CONWAY,
County of Carroll in the State of New Hampshire, qualified to vote in
Town Affairs:

You are hereby notified to meet at the Kennett High School auditorium at Conway, New Hampshire, on Tuesday, the eighth day of March, 1977, at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. Voting on Articles 1, 2, 3, 4 and 5 will be by official ballot and the polls shall open for balloting at nine o'clock in the forenoon or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. The remaining articles of the Warrant shall be acted upon at seven o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

ARTICLE 1. To choose all necessary officers.

ARTICLE 2. To see if the Town will vote to increase the Board of Selectmen to five (5) members. Agreeable to a petition signed by Hazel Hounsell and others.

ARTICLE 3. To see if the Town will vote to adopt the Building Code as proposed by the Planning Board for the Town of Conway. Agreeable to a petition signed by Edmund Bergeron and others.

ARTICLE 4. To see if the Town of Conway will vote to amend the Mobile Home Ordinance Article III, Section I, Paragraph B, to read, One travel trailer or recreational vehicle may be stored and used on the premises of the owner. Agreeable to a petition signed by Glen-na Mori and others.

ARTICLE 5. To see if the Town will vote to amend the Mobile Home Ordinance as proposed by petition to the Town. Article III, Section 2, Item A, Number 3 — Travel trailers or recreational vehicles may be stored on a lot with a permit from the Selectmen providing they will not be occupied during such period of storage. Agreeable to a petition signed by Earl Mori and others.

ARTICLE 6. To see what sums of money the Town will vote to raise and appropriate for the following purposes:

GENERAL GOVERNMENT

- Town Officers' Salaries
- Town Officers' Expenses
- Town Office Expenses
- Election and Registration Expenses
- District Court Expenses
- Town Hall and other Town Buildings
- Employees' Retirement and Social Security
- Assessing and Perambulation of Town Lines

PROTECTION OF PERSONS AND PROPERTY

- Police Department
- Fire Departments
- Care of Trees
- Insurance
- Planning Board
- Conservation Commission
- Damages and Legal Expenses
- Civil Defense

HEALTH DEPARTMENT

- Vital Statistics
- Town Dump

HIGHWAY AND BRIDGES

- Highway Department
- Class IV Urban
- Town Road Aid
- Highway Subsidy

LIBRARIES

- Conway and Center Conway Libraries

PUBLIC WELFARE

- Town Poor and Soldiers' Aid
- Old Age Assistance

PATRIOTIC PURPOSES

- Memorial Day

RECREATION

- Parks and Playgrounds

DEBT SERVICE

- Principal — Long term Bonds and Notes
- Interest — Long term Bonds and Notes
- Interest on temporary loans (T.A.N.)

CAPITAL OUTLAY

- New Equipment
- Capital Reserve for Survey of Streets and Tax Maps
- Mt. Washington Valley Incinerator Capital Reserve Fund

ARTICLE 7. To see if the Town will vote to have a reappraisal made of all real estate in the Town; to raise and appropriate the sum of \$62,050 for this purpose; to authorize the use of Revenue Sharing Funds to defray the expense of such reappraisal; or to take any other action hereon. Recommended by the Budget Committee. 9 ayes

ARTICLE 8. To see if the Town will vote to raise and appropriate five thousand dollars (\$5,000) for cemetery maintenance and authorize the withdrawal of said five thousand dollars for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Recommended by the Budget Committee. 10 ayes

ARTICLE 9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a setoff against new equipment in the amount of \$25,200 or take any other action thereon. Recommended by the Budget Committee. 11 ayes

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$18,300.00 (Eighteen thousand three hundred dollars) for a Building Inspector. Agreeable to a petition signed by H. Edmund Bergeron and others. Submitted without recommendation by the Budget Committee. 11 nays

ARTICLE 11. Be it resolved by the Town of Conway that the New Hampshire Housing Commission be and is authorized to operate in the Town of Conway in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project, for elderly low-income persons under Section 8 of the U. S. Housing Act of 1937 as amended, for the following accommodations: existing standard housing 15 dwelling units. Agreeable to a petition signed by James P. McAlpine and others.

ARTICLE 12. To see if the Town will vote to sell at public auction the land and buildings on Seavey Street, North Conway, recently occupied by the Conway Police Department. Agreeable to a petition signed by Fred Sieb and others.

ARTICLE 13. The businessmen and residents of Conway and North Conway respectfully submit our concern about the growing problem of adequate parking in the various village areas, and therefore, we would like to petition that the Town convert the former police station located in North Conway Village into a municipal parking facility.

And that the town investigate the possibility of acquiring the North Conway Water Precinct building adjacent to the former police station, for the same purpose.

And that the Town investigate the possibility of using other abutting private lands in the same area which might be used for public parking.

We respectfully submit this petition to the selectmen and ask for a public vote at the next town meeting. Agreeable to a petition signed by William F. Klein and others.

ARTICLE 14. To see if the Town will vote to direct the Selectmen to deed the land Carroll County Records Book 145, Page 523, being the location of the old police station, to the North Conway Water Precinct. Agreeable to a petition signed by Kenneth Kiesman and others.

ARTICLE 15. To see if the Town will vote to direct the Selectmen to lease the land Carroll County Records Book 145, Page 523, being the location of the old police station, to the North Conway Water Precinct, on such terms as they deem advisable. Agreeable to a petition signed by George C. Haley and others.

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) for the support of the Eastern Slope Regional Airport for the current year. Agreeable to a petition signed by Francis Deasy and others. Recommended by the Budget Committee. 11 ayes

ARTICLE 17. To see if the Town will vote to authorize the Selectmen to contract with Richard G. White and Furber Funeral Home, Inc. for ambulance service for a five (5) year period, commencing April 1, 1977.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of \$25,052.00 for ambulance service for the current year. Recommended by the Budget Committee. 11 ayes

ARTICLE 19. To see whether or not the Town will authorize the Selectmen to enter into a five-year agreement with participating towns for support and contribution to private independent ambulance services in term and manner as the Selectmen shall determine appropriate provided the Town shall bear only its share of expense of support in relation to its population to the total population of all participating towns.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to hire upon the credit of the Town such sums of money as may be needed, such sums not to exceed the combined school, town and county tax budgets, in anticipation of taxes for town, county and school purposes.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State aid in the name of the Town of Conway applied for, received and expended.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction real estate in the Town to which the Town has title by Tax Collector's Deed, any such real estate to be sold and conveyed on or before December 31, 1977.

ARTICLE 23. To see if the Town of Conway will vote to authorize the Selectmen to apply for, receive, appropriate and expend a grant up to \$60,000 from the Federal Government for the cost of building access roads, engineering and utilities for an industrial park for light industry to be developed by the Conway Area Business Development Corp. at no expense to the Town. Submitted without Recommendation by the Budget Committee. 10 ayes, 1 nay

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$2,000 to become a contributing member of the North Country Council for their support in helping the Town Planning Board and the Selectmen to develop and prepare land use and a master plan for the Town of Conway, as well as other planning needs as the Town grows. Agreeable to a petition signed by Douglas Burnell and others. Recommended by the Budget Committee. 14 ayes

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the White Mountain Regions Association. Agreeable to a petition signed by Mary Drew and others. Recommended by the Budget Committee. 11 ayes, 1 nay and 1 abstained.

ARTICLE 26. To see if the Town of Conway will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) for the purpose of increasing the size of the newspaper shed. Agreeable to a petition signed by Kenneth Kugel and others. Recommended by the Budget Committee. 6 ayes, 5 nays.

ARTICLE 27. To see if the Town of Conway will vote to raise and appropriate the sum of \$250 (two hundred fifty dollars) to assist the Environmental Service Project. Agreeable to a petition signed by Kenneth Kugel and others. Recommended by the Budget Committee. 5 ayes, 4 nays

ARTICLE 28. To see if the Town of Conway will vote to raise and appropriate the sum of \$2,114.00 towards the support of the North Conway Child and Youth Project. (C&Y Project). This sum to be used as rent for clinics and office space. Agreeable to a petition signed by Joan M. Whetton and others. Recommended by the Budget Committee. 12 ayes

ARTICLE 29. To see if the Town of Conway will vote to raise and appropriate the sum of \$12,000 for the Memorial Hospital, North

Conway, New Hampshire. Agreeable to a petition signed by Wm. G. Duprey, Jr. MD and others. Recommended by the Budget Committee. 11 ayes

ARTICLE 30. To see if the town will vote to raise and appropriate the sum of \$1,000 (one thousand dollars) to help defray the expenses of the Water Safety Program as carried out by the Conway Chapter of the American National Red Cross. Agreeable to a petition signed by George W. Reny and others. Recommended by the Budget Committee. 11 ayes

ARTICLE 31. To see if the Town of Conway will vote to raise and appropriate the sum of \$2,500.00 to the North Conway Day Care Center to be used for the Title XX matching funds. These funds are to be used exclusively for those low income clients who meet the federal guidelines. Agreeable to a petition signed by Marcia E. Weld and others. Recommended by the Budget Committee. 12 ayes

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$6,500.00 (Sixty-five hundred dollars) for the repair, maintenance and installation of dry hydrants within the Town of Conway. Agreeable to a petition signed by Francis Deasy and others. Recommended by the Budget Committee. 13 ayes

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to be divided equally between the Chambers of Commerce in both Conway and the Mount Washington Valley with \$2,000.00 going to the Conway Chamber of Commerce and \$2,000.00 going to the Mount Washington Valley Chamber of Commerce. Agreeable to a petition signed by Bartrum W. Bumstead and others. Recommended by the Budget Committee. 13 ayes

ARTICLE 34. To see if the Town of Conway will vote to raise and appropriate the sum of \$1,500.00 for the North Conway American Legion Post to be used for the hiring of bands for the Fourth of July Parade. Agreeable to a petition signed by Roy H. Larson, Jr. and others. Recommended by the Budget Committee. 11 ayes, 1 nay

ARTICLE 35. To see if the Town of Conway will vote to raise and appropriate the sum of \$15,000.00 to assist the Conway Village Recreation Commission and the North Conway Community Center; \$7,500.00 to Conway Village Recreation Commission and \$7,500.00 to the North Conway Community Center. Said sums to be allocated to the Conway Village Recreation Commission and the Board of Directors, North Conway Community Center. Agreeable to a petition signed

by C. Beach Powell and others. Recommended by the Budget Committee. 12 ayes

ARTICLE 36. To see if the Town of Conway will raise and appropriate the sum of \$7,337.50 for the Home Health Agency of the Memorial Hospital, Inc. The said sum being equal to \$1.25 per person in the Town of Conway. Agreeable to a petition signed by J. Small and others. Recommended by the Budget Committee. 13 ayes

ARTICLE 37. To see if the Town of Conway will vote to raise and appropriate the sum of \$2,500 for the Center of Hope for Developmental Disabilities, Inc.* *(Sheltered Workshop) to provide rehabilitative services for handicapped adults (over 21 years of age). Agreeable to a petition signed by Jeffrey Kaplan and others. Recommended by the Budget Committee. 11 ayes, 1 nay, 1 abstained

ARTICLE 38. To see if the Town will raise and appropriate the sum of \$3,367.43 to assist the Carroll County Mental Health Service, Inc., 1977. Agreeable to a petition signed by Pamela Fisher and others. Recommended by the Budget Committee. 12 ayes

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$820.00 in support of the Senior Meals and Wheels Program. Agreeable to a petition signed by Helen G. Hill and others. Recommended by the Budget Committee. 11 ayes

ARTICLE 40. To see if the Town will vote to establish a permanent Conservation Commission Fund in which the appropriations for the Conservation Commission will be allowed to accumulate from year to year in accordance with the provisions of RSA 36:A-5.

ARTICLE 41. To see if the Town will vote to authorize the N. H. Highway Safety Department to install and replace new modern traffic lights in villages of North Conway and Conway, using the necessary road limits for proper installation, at no expense to the Town.

ARTICLE 42. To see if the Town will vote to adopt the provisions of RSA 72:62 for the property tax exemption on real property equipped with solar energy heating or cooling systems which exemp-

tion shall be an amount equal to 100% of the value of the solar heating or cooling system. Agreeable to a petition signed by R. Michael Lynn and others.

ARTICLE 43. To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, New Hampshire, this 10th day of February, 1977.

SELECTMEN'S REPORT

1976 was another year of continued growth for the Town. Despite many unforeseen problems, we are still able to say we are in sound financial condition. These problems strained the budget, but by effecting economies in other areas, we were able to hold the line.

The tax rate was lowered for the second year in a row, primarily due to a surplus created by an accounting error in the Revenue Sharing Fund. The surplus is gone, and now we must face up to the fact that unless we have a growth rate in assessed valuation much greater than we have had in the past, to offset budget increases due to inflation and the increased demand for more services from the Town at all levels, the tax rate will be higher.

The rate is basically the result of budget approval by the voters, and the approval of the special articles that increase in numbers of requests as well as the amounts each year. Most of these are necessary, but the time must come when we ask ourselves where do our dollars go, what are we getting for our dollars, and should we consider priorities. On the other hand, we cannot lose sight of our responsibility to provide for our basic needs — a town government capable of handling the administration of town affairs — an adequate educational system for our children — and, a police department to cope with the many demands and multiple problems of a complex town such as ours. This is what all of the elected town officials are trying to do.

We are growing and all indications are that we will continue to grow at a much faster pace. For this reason, it is the opinion of the Board of Selectmen that we must enact zoning. We intend to ask the Planning Board to make this their number one project for this year. We are hoping that by enlisting the help of agencies such as the North Country Council, that this project will become a reality, and that an acceptable plan will be presented to the voters at the 1978 Town Meeting.

Our ordinances need to be renewed and updated. This requires time, study, and money for legal work.

This year our legal expense far exceeded our expectations due to a court case on our subdivision regulations. We had a special meeting with the Budget Committee to advise them of the situation.

Another expense not anticipated was the installation of a new septic system at the Town Office. This was primarily due to the over-taxing of the facilities by the use of our building by the Department of Employment, and the increase in the number of court cases at the District Court.

The special articles in this year's warrant reflect a 9% increase over 1976. The town budget covering Town Administration shows a 6% increase over 1976.

At the present time, every \$55,000 increase in the budget will cause the tax rate to rise \$1.00 per thousand dollars of assessed valuation. And, it takes one and one-half million dollars of new valuation to lower the tax rate \$1.00 per thousand.

Article 23 authorizes the Selectmen to accept, appropriate and expand a grant of \$60,000 to construct roads and provide for utilities for a light industrial park on Route 302 near the Fryeburg line. This will attract light industry to the area to provide year-round jobs to take care of those who are unemployed and seasonal workers who would like full time employment. Restrictions will be placed on the type of industry to locate here so that there will be no mass influx of workers to overtax our schools or other facilities. This industrial park will not involve the expenditure of any town funds. The government grant, if received, will not have to be repaid. The park will be developed by the Conway Area Business Development Corp., in consultation with the Selectmen and the Planning Board. This organization is made up of a group of responsible citizens from all sections of the Town. The Selectmen ask that you support this article to provide a further stability to our tax base.

In addition to regular maintenance and emergency repairs, our 1976 highway program included the upgrading of several unimproved roads by dumping and spreading more than 300 loads of gravel. The asphalt program included the penetration and sealing of Bow and Crossbow Lanes — sealing of Echo Lake Road, Artists' Falls Road and Kearsarge Street. Also sections of the Stark Road and South Conway Road where shimmed and sealed.

The five year project, in cooperation with the State, to improve the drainage and roadway at the Intervale Cross-Road was continued in 1976, and the final phase will be completed in 1977. The drainage under Route 16 and 302 cost the State about \$25,000. T.R.A. funds were used for the work done by the Town.

In 1977 besides finishing up the work on the Intervale Cross-Road, we plan to shim and seal the South Conway and East Conway Roads as well as shimming and sealing the rest of the Stark Road.

We plan to make a major effort to improve the cemeteries in the Town. Article 8 asks for an appropriation of \$5,000.00 to cover materials and outside labor to help complete the work that will be basically done by our town employees.

We are pleased that the school problem now has a realistic solution, and we ask that you give the plan to be presented your full consideration and support. The problem that should have been solved long ago must be solved now.

The revaluation of the Town ordered by the State Board of Taxation will begin this Spring. The last revaluation was done in 1964 and 1965. With completion of revaluation in mid-1978 the new assessments will not appear before the 1978 tax bills. This will result in a more equitable tax burden for everyone. Next year we should consider setting up a capital reserve fund each year so that the money will be available when another revaluation is necessary.

The day to day operation of the Town Office has increased in scope and we have included a Selectmen's Administrative Assistant in this year's budget. The Town Manager works on an average of more than fifty hours a week. It becomes more and more necessary for him to spend additional time in the maintenance of our highway equipment and the supervision of the many road and drainage problems that increase each year. This new man can also take over the supervision of the administrative work of the Town Office, keep current all new assessments, as well as assist the Selectmen in some of their duties. Most of his salary will come from money already in past budgets for a part-time assessor. We will be getting a full time employee for a little more than we have been paying for part time work.

We can all be proud of our new District Court. The much needed improvements this year have lowered heating costs, as well as adding to the value of the building.

The town dump is fast becoming obsolete. The waste disposal problem should be a priority and requires a concentrated effort for a solution. The only way we will make our present facility last until we can come up with a solution, is to extend the hours for burning. We can no longer do any land-filling. It would cost up to a half million dollars to construct an approved waste disposal unit today, and about one hundred thousand dollars a year for maintenance. We are studying the possibility of strict enforcement of the dump ordinance requiring separation of bottles and paper. The State has told us that we cannot enlarge our present facility. It does not meet current standards.

We want to thank all of our Town employees for their cooperation. Too often we take for granted the long hours spent keeping our highways clear and safe during the winter. Without their help and untiring efforts we would have many more problems.

May 1977 be a year of progress and cooperation at all levels of Town government so that we, the people, are able to solve our problems on a day to day basis, as well as the long-range problems of the future, created by what we do, or do not do today.

HARVEY C. BLAKE, Chairman
HERBERT E. HALL, JR.
FOREST J. ARCHIBALD
Board of Selectmen

PLODZIK AND SANDERSON
ACCOUNTANTS and AUDITORS

Kearsarge Building
5 South State Street
Concord, N. H. 03301
603-225-6996

April 13, 1976

TOWN OF CONWAY

AUDITOR'S OPINION

We have examined and audited the accounts and records of the Town of Conway, New Hampshire for the fiscal year ended December 31, 1975.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Town of Conway, New Hampshire at December 31, 1975, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities in the State of New Hampshire, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
PLODZIK AND SANDERSON

TOWN OF CONWAY

LETTER OF TRANSMITTAL

Board of Selectmen
Town of Conway
Center Conway, New Hampshire 03813

Gentlemen:

We have examined the books and records of the Town of Conway, New Hampshire for the fiscal year ended December 31, 1975,

and have prepared the attached exhibits and schedules in conformity with the recommended format prescribed by the Municipal Services Division of the State of New Hampshire.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Public Library and Trustees of Trust Funds.

FINANCIAL INFORMATION

GENERAL FUND:

Comparative Balance Sheets: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the general fund as of December 31, 1974 and December 31, 1975, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$124,919 in 1975, from \$322,666 at December 31, 1974 to \$447,585 at December 31, 1975.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the factors which caused the change in financial condition of the Town during the fiscal year is contained in Exhibit A-2.

These were as follows:

Increases in Current Surplus:

Tax Collector's Cash Over (Net)	104.00
Net Budget Surplus (Exhibit A-4)	\$281,417.00
	<hr/>
	\$281,521.00

Decreases in Current Surplus:

Surplus Used To Reduce Tax Rate	\$144,283.00
Tax Liens Transferred To Tax Deeds	10,399.00
Precinct Tax Adjustment —	
Prior Year	1,920.00
	<hr/>
	\$156,602.00

Net Increase in Current Surplus	<hr/> \$124,919.00
---------------------------------	--------------------

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenue: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31,

1975, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$218,522, plus a net unexpended balance of appropriations of \$62,895, resulted in a net budget surplus of \$281,417 in 1975.

LONG-TERM INDEBTEDNESS:

Comparative Balance Sheets: (Exhibit A-5)

Comparative balance sheets disclosing the long-term indebtedness of the Town as of December 31, 1974 and December 31, 1975, are included in Exhibit A-5. As stated therein, the long-term debt of the Town decreased by \$26,000 in 1975; from \$460,000 at December 31, 1974 to \$434,000 at December 31, 1975.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements of principal and interest is included in Exhibit A-6.

Capital Projects Fund:

State of Appropriations, Expenditures and Fund Balance: (Exhibit A-7)

Exhibit A-7 discloses the activity and fund balance of the Swift River Bridge construction appropriation for 1975. As recommended in our previous audit report, the 1976 Town Meeting voted to rescind the authorization to issue long-term notes or bonds remaining on the project.

OTHER FUNDS AND OFFICIALS ACCOUNTS

The accompanying supplemental exhibits covering segregated funds and the accounts of those officials entrusted with the custody, receipt or expenditure of Town funds, are presented in accordance with the current requirements of the Municipal Services Division of the State of New Hampshire. Although not considered necessary for a fair presentation of the financial statements and results of operations, our examination of these accounts included the same tests and auditing procedures applied in the examination of the aforementioned financial statements. In our opinion, these exhibits are stated fairly in all material respects when considered in conjunction with the financial statements taken as a whole.

GENERAL COMMENTS

As indicated by the budget summary (Exhibit A-4), there was a revenue surplus of \$218,522 as a result of 1975 transactions. In reviewing the 1975 Statement of Appropriations submitted to the State of New Hampshire, we noted that \$149,730 was inserted in the budget as a revenue sharing appropriation. This was in error, inasmuch as Article 10 adopted at the annual Town Meeting approved the expenditure of revenue sharing funds as offsets against the following appropriations:

Home Health Agency	\$ 5,680.00
Police Department	20,900.00
Ambulance	18,000.00
Dump	10,000.00
Highways	38,900.00
Town Hall	750.00
New Equipment	13,000.00
Survey of Streets	30,000.00
Assessing	12,500.00
	<hr/>
	\$149,730.00

The affect of this omission was to inflate the net amount of property taxes to be raised in 1975, thereby increasing the current surplus at the end of the year.

We recommend that this form be examined carefully before submission to the State of New Hampshire in order to assure that it is properly prepared.

We extend our thanks to the officials and the office staff of the Town of Conway for their assistance during the course of the audit.

Very truly yours,

PLODZIK AND SANDERSON

REPORT OF CONSERVATION COMMISSION

The year 1976 was not so much a year of new involvements as it was a year of supervising the properties already acquired for the town by the Conservation Commission and working on plans for their future use and considering suitable activities and their general management. Regular meetings were held during the year to work on these matters.

In June the Commission made a group tour and inspection of the Artist Falls area, Shedd Woods and the Shedd Woods parcel adjoining the Saco River, and the Overlook property. Through the generosity of the White Mt. Landscape Service, plantings were put in around the monument at the Overlook.

The Commission was greatly concerned about the proposed underwater logging operation near the town beach on Conway Lake at Center Conway. A public hearing was held on this at Concord, N. H. in September, but the Commission felt the hearing should be held locally to permit Conway citizens who would be affected by the operation to be present to express their views. Accordingly a hearing was held in Center Conway in October. The Commission and the Selectmen of the Town are strongly opposed to the operation on any basis. Nothing has been done to date and it is hoped that we will hear no further on this, but the area is under constant surveillance should any activity develop.

Several trips were made during the year to the Whitaker Woods relative to doing selective cutting and thinning as recommended by the Carroll County Cooperative Extension Service Forestry office. This work was started in the Fall of 1976 by Brewster Morrill and to date \$1,000 has been received for the timber, altho the funds were received too late to be reflected in the receipts to the Town for 1976. Further work will be done in the Spring of 1977.

It is most gratifying to learn that the Woods are being constantly used by cross country skiers, and that on weekends it even becomes crowded! We have received many favorable comments from those using the Woods for skiing and hiking activities. Plans will be worked on for the development of similar trails in the Pudding Pond area.

Liberty Santa Maria, Secretary

REPORT OF THE LIBRARY TRUSTEES

In 1976 the library increased the number of hours it is open per week to 35 to qualify as a member library of the Statewide Library Development Program. Three trustees attended a ceremony at the State Library in Concord on February 5, when the N. H. State Library Commission presented certificates of merit to the Conway Library and the other public libraries which met the qualifications.

In March the boiler in the library cracked. Several plumbers and a heating engineer looked at it and agreed it would have to be replaced. Bids were solicited from three plumbers and a new boiler was installed at a cost of \$2,760. The trustees, confronted with this unexpected bill, considered appealing to the selectmen for an additional appropriation. After careful deliberation they decided to pay the bill out of the current year's appropriation by deferring the installation of insulation, for which \$2,000 had been budgeted, and by various other economies. Funds are being requested in 1977 for the insulation.

Two trustees retired in March, Charlotte Altenbern, who had served six years, and Chester Lucy, who accepted reappointment after the death of Edmund Warren. Both of these people were devoted workers for the library. Catharine Trimble and Sara Bechtold were elected trustees. Helen Bumstead was elected chairman of the trustees, Catharine Trimble secretary and Peter Dunn treasurer. In the summer Sara Bechtold moved from Conway, and her resignation as a trustee was reluctantly accepted. During her short term she proved a willing and enthusiastic worker. Herbert Lucy accepted an appointment to complete her term.

Helen Nute, who has been a trustee since 1967, had the honor of being elected legislative chairman of the N. H. Library Trustees Association.

A "Friends of the Library" organization was formed in the fall. As stated in its by-laws, "The purpose of the Friends shall be to maintain an association of persons interested in good library service and in books; to increase the facilities and services of the Conway Public Library; and thus to enrich the cultural opportunities available to the citizens of Conway." Barbara Nichols was elected president and Betty Newton secretary-treasurer.

The History Room, donated by Keith Henney, was dedicated in April to the memory of Nella Braddy Henney. In addition to the early records of Eaton, the room now contains official records of the first fifty years of Madison. It is Mr. Henney's hope that old records of other

towns will be added in the future. The trustees are proud of the History Room, and deeply grateful to Mr. Henney for the gift.

The flagpole on the library grounds was dedicated on Memorial Day to the memory of Edmund Warren, who had been a trustee since 1974 and was chairman at the time of his death. He devoted much of his time to the needs of the library and was negotiating for the purchase of a flagpole when he died. Coupled with his participation in the erection of many flagpoles in our area, this seemed a fitting way to use the many contributions to his memory that were received. Beside the flag pole is a plaque on granite dedicating the flag pole to his memory.

On Flag Day, as part of the Bicentennial program, the American Legion Auxiliary presented an American flag and a Bicentennial flag to the library. The two flags were accepted by the trustees and ceremoniously raised to the top of the flagpole.

The Conway Bicentennial Committee voted that microfilm copies of town records prior to 1900, made by the Church of Jesus Christ of Latter Day Saints, be given to the library.

An auction was held under the auspices of the N. H. Library Association to raise money for its Scholarship Fund. Many businesses and individuals donated items and Friends of the Library sold refreshments; \$516 was raised.

The Conway Woman's Club was helpful again this year in the annual book sale, for which the library trustees and staff are grateful.

Story time for pre-school children has become very popular, with a large increase in attendance. Another story time was started for first through third grade children. Friends of the Library have been very active in this program.

Numerous exhibits were held in the library during the year. The summer reading program, the Little Red Wagon, co-sponsored with the Conway Village Recreation Commission, and a meeting of the N. H. Council of Humanities were some of the varied activities taking place. The library participated in the cooperative education program of the Vocational Education Department at Kennett High School.

The use of the library for reference purposes increased during the year.

Margaret Marschner, librarian, received a scholarship from the N. H. Library Commission in 1972, 1973, 1975 and 1976 for advanced study at the University of New Hampshire. The past year she completed the eight courses required to receive the Public Library Techniques Certificate; she was named the Outstanding Junior Member of

the N. H. S. O. DAR. Her civic activities have made her well known and highly regarded in the community. We are fortunate to have a librarian of her stature. We appreciate the fine services of the other members of the staff. Toni Toothaker, who worked at the library under the Manpower Program, organized some of the procedures in the Outreach Program and library services, in addition to completing the cataloging of the Henney collection, before she left in October.

We are grateful for the interest and support of the many people who help the library to improve its services to the community.

HELEN BUMSTEAD, Chairman
Library Trustees

Conway Village Park Commission

The Conway Village Park Commission reports the following for 1976.

This proved to be a year of fruition for the Commissioners of the Conway Village Park. The fountain was installed through the generosity of the Pequawket Foundation and the money that had been saved for that purpose through many years. It was dedicated with appropriate ceremonies on July 25, 1976. At that time it was recalled that the triangle had been bought by a group of businessmen back in 1891 and given to the Town of Conway in 1926 with the proviso that it be a park and NOTHING but a park. So we were proud that 50 years later we are still caring for it to make it a beauty spot. It has been rewarding to us to hear many complimentary comments about it and to see many people enjoying it. We hope eventually to put some park benches there so people may rest and enjoy the fountain.

The expenditures were as follows:

Cash on hand January 1, 1976			\$614.02
Correction on previous balance			1.00
Deposit from the Town of Conway 1/14/76			300.00
1/14/76 Public Service	\$ 3.00		
2/ 2/76 Public Service	3.00		
2/28/76 Public Service	3.00		
4/14/76 Public Service	3.00		
5/13/76 Public Service	3.00		
6/ 7/76 James Ambrose	12.00		
6/14/76 Public Service	3.00		
6/16/76 G. W. Hall Co.	700.00		
6/28/76 Public Service	3.00		
8/30/76 Check from Town of Conway			300.00
8/30/76 Public Service	45.11		
9/28/76 Public Service	31.02		
11/ 3/76 Public Service	26.39		
11/19/76 James Ambrose	51.00		
12/20/76 Public Service	3.00		
Service charge for year	1.50		
Total expenditures	\$891.02	Bal.	\$324.00

Respectfully submitted,
Golden M. White
Treasurer, Conway Village Park Association

POLICE COMMISSION REPORT

The three most important areas of consideration for any Police Department are: Personnel, Mobility and Communications. The Police Commission has addressed itself to these considerations as well as others during 1976.

PERSONNEL: The Commission meeting with all member of the Department reviewed the requirements for appointment and the Rules and Regulations pertaining to Special Officers. Since the Conway Police Department is very dependent upon Special Officers to fulfill all the labor requirements needed during the year, we felt that it was necessary to have realistic and practical policies. It was the unanimous decision of all present that the same high standards apply to the Special Officers as for Regular Officers. However, the revisions provide incentives and recognition for dependability and competence. The high standards for appointment make it difficult to obtain as many Special Officers as we would like. Never-the-less we were able to appoint several excellent Special Officers during the past year.

The pay regulations for Regular Officers were changed to include compensation for all hours worked rather than the previous arrangement of no compensation for the first six hours worked over the forty hours per week.

The Commission created the position of Lieutenant, in effect an assistant Chief. This was accomplished by changing the roster from three sergeants to two sergeants and a lieutenant. The total number of regular officers was not increased by the creation of this position. Maurice Salmon was appointed to the position of lieutenant.

MOBILITY: The voters approved a budget which included the necessary funds to replace three cruisers in 1976. Chief MacLean has pointed out in his report both the savings and operational dependability that has resulted. Since the Department mileage is approximately 250,000 miles per year and since it has proven expedient to replace a cruiser once it has accumulated approximately 80,000 miles we are again requesting funds to replace three cruisers in 1977.

The Commission recommended to the Board of Selectmen that a larger gasoline storage tank be installed at the new headquarters. This was done although it meant foregoing some of the other planned expenditures for the new headquarters. The larger tank has meant a much greater savings on the purchase price as the price is now based on tanker load deliveries.

COMMUNICATIONS: The location of the new police headquarters has resulted in much better communications between headquarters and Conway's mobile units as well as with better communications between Conway, State and County law enforcement units. This was not anticipated, but is another benefit derived from the move to the new headquarters.

The Conway Police Department was experiencing difficulties on the radio frequency assigned due to several other police departments using the same frequency. Application was made to the Federal Communications Commission for the assignment of a clear frequency. The application was approved and the Department will be operating on the new frequency in the very near future.

NEW POLICE HEADQUARTERS: The Commission is most appreciative to the many citizens of the Town who gave of their time and talents during the past two years to bring about the realization of a new police headquarters; to the voters of the Town who recognized the need and appropriated the necessary funds, and to the Department Personnel who have given of their own time and expense toward accomplishing the physical move and providing many of the "extras" that make the new headquarters both functional and a source of pride for the Department and the Town. The Department and the Commission wish to recognize and thank the following members of the Police Headquarters Facilities Committee: Maurice Lovejoy Chairman; James Hill, Mrs. Janet Hounsell, Robert MacDonald, Philip Merrill, Charles Sturdivant, George Tice, Harold Wentworth, Paul Whetton, Robert Bumstead, Mrs. Robert Davis, Mrs. William Fennell, Herbert Hall and Howard Hatch.

REPORTS AND RECORDS: Recent Court Rulings, State Laws and Federal requirements relative to record keeping, statistical data reporting, uniform report writing and confidentiality regulations of police records has placed an additional burden on the Department. In order to fulfill these requirements it was necessary for the Commission to submit a budget request for some part time clerical help.

GROWTH: It is incumbent upon all citizens of the Town to expand their view to the whole Town as the Police Department has had to do. So many times a resident of a particular part of Town tends to forget the many different sections of the 87 square miles that comprise the Town of Conway. The Police Department has to consider the industrial activity in the Conway Village area; housing, vacation homes and lake properties in Center, East and South Conway as well as the higher activity areas of North Conway and Conway village.

CHIEF MACLEAN: It was with the very deepest regret that we accepted the resignation of Chief MacLean early in 1977. His dedication, sincerity, honesty and integrity will be very difficult to replace. The high esteem in which the Conway Police Department is held throughout the State is directly attributable to Chief MacLean's leadership and direction.

The Commission is fully cognizant and understands the stated reasons for Chief MacLean's resignation. The Commission feels that it has been lax in not interceding to a greater extent between the Police Department and other organizations of the Town.

The Commission has the chore of appointing a replacement. This will be difficult as the position of Police Chief is very delicate and sensitive. In addition, in accordance with State Law, once a chief has been appointed he may only be removed from office by petition to Superior Court. This, of course, has the benefit of protecting the chief from local pressure of favoritism; it also make it difficult to remove a mediocre chief. The Commission recognized these factors. We will strive to make the best appointment consistent with the best interests of the Town of Conway.

LOOKING AHEAD: The new police headquarters will continue to provide additional benefits to the effectiveness of the Department both fiscally and operationally.

If the Town continues to grow as it has during the past few years (arrests and summons increasing 36%, 978 to 1,332 from 1975 to 1976) it will become necessary to increase the size of the Department. Continued growth in the areas other than the two villages will place an impossible operational problem on the Department with its present organization.

The complexities of police problems continue to grow. Experience and training are the hallmarks of the abilities to cope with these complex problems. Unfortunately police related juvenile problems are rising at an alarming degree. The police handling of these juvenile problems is critical — improper handling can potentially ruin a person's life, conversely, and hopefully, proper police handling can avoid a lifetime of grief for some young person.

Recognizing these facts, the Commission has insisted upon continuous training for all officers. Fortunately Federal and State funds are available for a great deal of this training. The Commission has urged all members of the Department to avail themselves of this training. We have requested a modest budget amount for additional local training and training materials.

Our greatest asset is, of course, the personnel of the Department. The Town is fortunate to have the caliber of police officers we have. We have maintained high standards for appointment, insistence on fair and just performance, and at the same time tried to be realistic with regards to compensation, benefits and working conditions. These considerations; good personnel, properly trained, justly compensated are vitally important as summed up in the following:

It is hard to overestimate the intimacy of the contact between the police and the community. Policemen deal with people when they are angry, when they are frightened, when they are desperate, when they are drunk, when they are violent, or when they are ashamed. Every police action can affect in some way someone's dignity, or self respect, or sense of privacy, or constitutional rights. As a matter of routine policemen become privy to, and make judgments about, secrets that most citizens guard jealously from their closest friends; relationships between husbands and wives, the misbehavior of children, personal eccentricities and lapses of all kinds. Very often policemen must physically restrain or subdue unruly citizens.

Respectfully submitted,

Maurice Frechette, Chairman

Albert G. Lane

C. Robert Gardner

REPORT OF THE CONWAY POLICE DEPARTMENT

I herewith submit the Annual Report of the Conway Police Department for the year 1976.

	1975	1976
Phone calls received	16,632	17,735
Investigations	2,302	2,370
Arrests and Summons	978	1,332

The following is a list of the charges for which the above arrests were made:

	Arrests 1975	Arrests 1976
1 — Criminal Homicide		
a/murder and non-negligent manslaughter	0	0
b/manslaughter by negligence	0	1
c/untimely deaths	0	0
2 — Rape	3	1
3 — Robbery	2	1
4 — Robbery	4	1
5 — Burglary	43	34
6 — Larceny (except auto)	152	38
6A — Ski Larceny	12	0
7 — Auto Theft	12	0
8 — Other Assaults	24	31
9 — Arson	6	0
10 — Forgery and Counterfeiting	1	5
11 — Fraud (bad checks)	8	4
12 — Embezzlement	0	0
13 — Stolen Property (buy, rec., poss.)	8	7
14 — Vandalism	22	22
15 — Weapons (carry, poss., etc.)	3	1
17 — Sex Offenses	1	6
18 — Narcotic Drug Laws	22	8
20 — Offenses Against Family/Children	0	0

21	— DWI	74	133
22	— Liquor Laws	4	15
23	— Drunkeness	21	26
24	— Disorderly Conduct	13	20
26	— All Other Complaints	26	57
26A	— Dog Complaints	23	25
26B	— All Other Animals	0	0
27	— Susp. and Intel.	0	0
29	— Runaways	20	2
30	— Road and Driving Laws	474	894
	Motor Vehicle Accidents/Property Damage	382	441
	Motor Vehicle Accidents/Personal Injury	55	77
	Motor Vehicle Accidents/Fatalities	0	2

The year 1976 imposed many new burdens on the Police Department. Everyone is well aware of the traffic problems which were experienced due to the ever increasing number of tourists. The State figures reflect an average traffic increase over 1975 of 21%. September reflected an increase of 34.9% and October a 25.0% over the record year of 1975.

The Police Department has been faced with the daily frustrations of trying to keep traffic moving. We are dealing more and more with angry motorists who want something done to eliminate the long lines of traffic.

The State has offered a few possible alternatives. However, these alternatives have met with strong opposition from many people.

Contrary to popular belief, merely increasing the number of officers will not necessarily relieve the problem. An officer on foot will stop motor vehicle traffic frequently for pedestrians. Tourists often ask the officer for directions, which will again delay traffic.

At this time, it would appear that heavy traffic congestion will be a way of life for the Conway area.

In spite of intensive enforcement measures taken to remove the alcohol impaired operator from our roads, our town unfortunately had two motor vehicle deaths this past year. The number of arrests for Driving Under the Influence of Alcohol increased by 94% this past year. These offenders are causing a danger to the general public. They also require several hours of the police officer's time to process and prepare each case for court.

An increase of traffic violations has resulted in an 8% increase in court prosecutions.

The overall arrest increase was 36% over 1975.

The Police Department is in the unique and difficult position of trying to keep abreast of the many additional demands imposed upon it by a rapidly growing tourist oriented community.

If our community were stable, the Police Department would be able to operate with a minimal annual increase. Unfortunately, this is not the case. We have all tried to give the taxpayers their money's worth, and I believe by any standard we have. The ability to purchase three new medium size cruisers has resulted in a substantial decrease in both operating costs and maintenance. The year 1975 showed an expenditure of \$7,209.00 for repairs. The maintenance cost this year along with the decrease in fuel consumption almost equals the total cost of a new cruiser. In addition, we are not plagued with cruisers being out of service waiting for repairs.

The officers are still obtaining specialized training. Lt. Salmon and Sgt. Bennett have attended a one week police supervisors school. Sgt. Sonne and Lt. Salmon both attended police prosecutors schools. Detective Minard Anthony received one week of training in police photography. Ptl. Mullen and Ptl. MacDonald attended a one week school on post bombing investigation. Ptl. Mullen also attended a one week breathalyzer school. Ptl. Roderick attended six weeks of the New Hampshire Police Academy. I personally attended a command training course at Babson College for three weeks. All of the officers passed these courses with above average marks.

In addition to these courses, several officers are enrolled in colleges on their own and are working towards obtaining degrees in law enforcement. Investigations and arrests are wasted without the proper knowledge and ability to successfully convict the defendant in court. Our present rate of conviction is a good measure of our officers.

On December 6, 1976, the Conway Police Department occupied the newly remodeled facility. Some major improvements have already been noted although, at the time of this report, we are still unpacking and are not completely settled.

I have been well aware of the importance of the interior design of this facility, and have sought and received advice and suggestions from numerous persons. The actual layout selected was the result of a recommendation following a study conducted by two specialists in police and corrections facilities. Many factors both legal and practical have to be weighed against cost to provide a facility which will be both safe and secure for short durations of time to prisoners who are often highly emotional and disturbed. We on the Police Department have a moral and legal responsibility to protect these people. A prisoner who appears to be sleeping could actually be suffering from an

overdose of drugs, a brain concussion, diabetes, or some other type of coma.

An architect was chosen to provide specifications of the design selected to enable bids to be secured. Time will tell just how much this building will improve the effectiveness of the Department.

In reviewing the accomplishments of the Department this past year, I feel I can say the members have all labored to help and assist you and the general public with your many problems. This dedication has resulted in a Department which I believe is the finest in the State.

In conclusion, I would like to thank the members of this Department as well as Police Commissioners Gardner and Frechette for their continuing dedication and support and the citizens of Conway for their confidence in this my final year as Chief of your Police Department.

M. ALLAN MacLEAN
Chief of Police
Conway, N. H.

SACO RIVER STEERING COMMITTEE

SUMMARY REPORT

The Saco River Steering Committee is made up of citizens of the towns of Conway, Bartlett, Jackson and Hart's Location. Its members were appointed by the respective town's selectmen by direction of town meetings for the purpose of taking a broad overview of the Saco and formulating a plan which would take into account economic, recreational, aesthetic and environmental values. The Committee has met regularly for two years, sampled town opinion by questionnaire and public hearings, walked the banks of most of the river, met with government agencies including the Soil Conservation Service, North Country Council, State Office of Comprehensive Planning, Maine's Saco River Corridor Commission, Water Supply and Pollution Control Commission, Fish and Game Department, and reviewed many local, state and federal reports prepared on the Saco.

Using questionnaires and public hearings, it has become obvious that the citizens of the valley would overwhelmingly like to see this area preserved. Through research we have found that the recreational use of the river system is of immense economic importance to the valley.

National Forest figures, which are representative of only a fraction of the total river system, confirm that 282.5 thousand visitor day visits (all visits lumped into 12 hour units) can be directly related to river use. Total visits to three sites in 1972 (Rocky Gorge, Lower Falls, and Sawyer Rock) totalled 556 thousand people. These figures further demonstrate the value of the river system to the valley.

In summary, the Committee has concluded that the preservation of the river system, a major resource of the valley, is of prime importance in maintaining a high quality area for living, valuable in itself, as well as enhancing property values and contributing significantly to the economy. Therefore, we submit the following recommendations to be implemented at the earliest possible date and stand ready to assist in their promulgation.

- A. That the Saco River Steering Committee continue its existence to promote the importance of the river, to recommend solutions to ongoing and upcoming problems concerning the river and to help administer, plan, and develop any resolutions or warrants voted by the towns involved.

- B. That future actions and recommendations of the Committee be guided by the following priorities for the river system in descending order of importance:
 - Preservation of Natural Habitat
 - Agricultural Use
 - Recreational Use
 - Home Sites
 - Commercial Use.
- C. That the towns adopt flood plain ordinances that restrict building on the flood plain. That the flood plain and designated flood way correspond to the most recent delineation of the 100 year flood plain by the Soil Conservation Service.
- D. That methods other than manmade impoundments be used as a means of minimizing the impacts of flood damage in the Saco Watershed.
- E. That erosion control techniques should be applied primarily to the protection of critical river sites and when undertaken should recognize the concern for recreational and aesthetic values.
- F. That public access be promoted and developed by the towns involved.
- G. That scenic easements be sought and developed to ensure and enhance the natural appearance of the valley by preserving the Saco River and flood plain in its natural condition.
- H. That strict adherence to New Hampshire laws concerning forestry practices near stream beds be enforced.
- I. That the towns should consider adopting uniform set-back ordinances along the river system.

Respectfully submitted by the
Saco River Steering Committee,
Chester Lucy, Gene Chandler, Herbert
George, Ned McSherry, Doug Burnell,
Woodrow Allard, Robert McManus, Lyle
Richarson, and Thomas Deans

The complete River Report is available at the Town Office.

WATER SAFETY PROGRAM — 1977

The Town of Conway, as in 1975, appropriated \$1,000.00 for the year 1976. This helped defray costs of the water safety program as directed by the Conway Chapter American Red Cross.

Classes for children from North Conway, Kearsarge, Intervale, and Redstone were held during the first four week session at Echo Lake. Children from Conway Village attended the second session. Center Conway children received their instruction at Conway Lake.

Instructors for 1976 were as follows: Sarah Bachman, Verlene Kendrick, Jody Camille, Linda Saarnijoki, Ellen Gardner and Helen Hill. Instructor aides were Gayle Weinraub and Mary Seavey.

There was an estimated 33 percent increase in enrollment over 1975 which is encouraging. The importance of water safety cannot be over rated and it is hoped by all the summer of 1977 will experience even larger numbers.

This will increase our need for more people 17 years or older to offer their services. Any mothers who share our interest in this program could also volunteer their service as summer aides.

Expenses for 1976 were:

\$1,017.61	— Salaries
218.50	— Travel
59.53	— Chapters Share Soc. Sec. Tax

\$1,295.64	

ENVIRONMENTAL SERVICE PROJECT

The Environmental Service Project (ESP) was formed in January 1976 with the help of the RC&D representative at the Extension Service. Members of the group come from Conway and surrounding towns.

The purpose of the ESP is to "support our community by taking positive action in solving environmental problems and provide assistance to local government and service groups in educating the general public."

In February, the ESP sponsored a lecture by Floyd Barker of the Extension Service on the UNH recycling center.

In April, ESP, the Extension Service, and the North Country RC&D Project sponsored an Energy Fair featuring displays of products which might help the public live with the "energy crisis" (wood stoves, solar collectors, insulation, etc.) and workshops presented by members of the extension service.

One of the first priorities of the group was to reestablish newspaper recycling. After discussing our plans with town officials, volunteers cleaned up the newspaper shed at the town dump and put crushed stone on the floor. In June the ESP ran a paper drive in North Conway to publicize this undertaking. Radio spots and newspaper articles provided additional publicity. Volunteers baled the paper as it accumulated at the dump using pallets and strapping donated by Diamond International. Response by the townspeople was gratifying. By November there were 14 tons of paper in bales at the dump. Arrangements were made with TMI Corp. of Dover, N. H.; and the paper was sold for \$34 a ton for a total of \$476. Two weeks after the paper was picked up, however, TMI burned to the ground, and we have yet to receive any payment from the company.

We plan to continue with the newspaper project, and we would like to start recycling of other materials. We believe that we can demonstrate that the town can decrease their dump expenditures by taking over these projects.

Steering Committee,
Kenneth Kugel
Russell Lanoie
John Giffin
Greg Kendrick

REPORT OF DISTRICT FIRE CHIEF and TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

THE AMERICAN REVOLUTION BICENTENNIAL COMMITTEE OF THE TOWN OF CONWAY

To the Selectmen of the Town of Conway:

I am pleased to present an account of Conway's Bicentennial celebration which resulted from the vote at the Town Meeting of 1973 to raise and appropriate \$7,500 for the commemoration of the nation's 200th birthday.

The steering committee which you appointed — Dana Haley, chairman; Joan Brown, Arthur King, Frank Costello, and Perley Wiggin — sent to 51 organizations in the town invitations to send representatives to a meeting in March, 1974, to plan the celebration. This resulted eventually in the formation of the American Revolution Bicentennial Committee of Conway, which consisted of Helen Nute, chairman; Dana Haley, vice-chairman; Ida Maybe, secretary; Francis Deasy, treasurer; and Ruth Brown, Priscilla Cravedi, Charles Toor, executive committee. All of these persons have served actively and faithfully until the present, though Priscilla Cravedi asked to resign from the committee because of inability to attend the meetings but continued to send out notices of the monthly meetings to all the members of the general committee, and of the meetings of the executive committee. Edmund Warren, who became chairman of the Town Flag Committee, was added to the executive committee, and we suffered a great loss when he died. Roger Brown, who had been a member of the flag committee, became chairman of that committee and member of the executive committee and carried on the work to its successful conclusion. There are more than 100 town flags in the possession of organizations and citizens of Conway, and Roger has a supply of them available. A flag has been presented by the committee to each of the public schools and town parks and the public library. Arthur Desjardins was later added to the Executive Committee.

Monthly meetings of the general committee were held from January 1976 to September 1976. The committee remains intact because we still have money to spend for projects we wanted to sponsor but for which we had not the funds previously.

After the scheduled celebration ended in August 1976, we were informed by the town treasurer that, of the \$6,000 allotted to the American Legion for the Independence Day parade, \$1,500 had been returned; and \$500 in interest had accrued. We have a little money in the treasury from the sale of flags. We had already voted to give microfilmed town records to the Conway library, and it has been proposed that we also give a microfilm reader to the library. Al-

though we had wanted to do this almost from the first, we had not been able to because of lack of funds. We were to have discussed the actual purchase at meetings of the executive committee scheduled in December and January but canceled because of inclement weather. It is hoped that the matter will be settled at the next committee meeting; helpful information about microfilm readers having been provided by Mrs. Grant, Kennett High School librarian. Other proposals for the use of this money are planting trees along the highways and improving the little park around the memorial monument at the covered bridge site. We welcome suggestions.

One meeting of the general committee has already been held since August. Because the Battle of Bennington was fought in 1777 chiefly by New Hampshire men, there will probably be a celebration of its anniversary in 1977. There will definitely be a third Bicentennial concert of music by Thomas Patrick Murphy in the early spring by the Mt. Washington Valley Choral Society under the direction of B. Richard Wright, Jr., director of choral music in Kennett High School. A list of all the Revolutionary soldiers buried in the Town of Conway, and the cemeteries in which their graves are, will be published by Anna Stickney Chapter, DAR.

This is a summary of the program in 1976:

1. 1975. Although it was originally planned to begin the celebration at the Town Meeting of 1976, there was considerable activity before that time, because the 200th anniversary of the Battle of Bunker Hill was in 1975; and Conway, though only a little new frontier settlement in 1775, with 62 males above the age of 16 able to bear arms, had provided 4 soldiers for that battle — an outstanding record for this part of the state. The Conway committee sent a banner proclaiming this fact to four parades: the Bunker Hill Bicentennial Parades in Manchester, N. H., and Charlestown, Mass., and the Fourth of July parades in North Conway and Conway. The handsome banner, made by Royetta Reuning and Edmund Warren, has been presented to the Conway Historical Society and is now on exhibit in the Lord House.

2. Feb. 4, 1976. Illustrated lecture on colonial costumes by Mr. and Mrs. Brownlow Thompson.

3. March 2. Re-enactment of the 1776 Town Meeting at the beginning of the 1976 Town Meeting, by the descendants of the "Freeholders and Inhabitants" of 1776, under the direction of Helen E. Nute.

4. March 4. Bicentennial Dancers, in authentic Colonial dances and costumes, under the direction of Mr. and Mrs. Brownlow Thompson. North Conway Woman's Club.

5. March 20. Recognition of Conway as a Bicentennial Community. Dutch Treat dinner at the Red Jacket Inn. Presentation of Bicentennial Flag by Cong. D'Amours and Bicentennial certificate by Mrs. Raymond Flanagan of the NHARBC; dances by the Bicentennial Dancers in costume. Music by the Mt. Washington Valley Band under the direction of Charles Toor.

6. April 10. Paul Revere Dance. Modern-Western dances. Mt. Washington Valley Stompers.

7. April 30 and May 1. "I Hear America Singing." Musical involving all 50 states, by Elmwood Grange, under the direction of Shirley Shibles.

8. May 16. Bicentennial Church Service dedicated to Thomas Murphy, the talented composer who worked in North Conway from 1875 to 1890 and did so much for music there. Singing of one of his compositions by the choir directed by Petrina Paoletti, "The Faith of Thomas Murphy" by Rev. Christopher Horvath.

9. May 24. Craft Fair at the Conway Recreation Center. Conway Woman's Club.

10. June 10. Lecture by David S. Brooke, Executive Director of the Currier Art Gallery, on "John Garrel's Horn - a Prelude to the Revolution." Anna Stickney Chapter, DAR.

11. June 14. Elks' Parade and Flag Day Celebration.

12. June 14. Presentation of U. S. and Bennington flags to the Conway Public Library by Conway American Legion Auxiliary Post 46. Music by members of the Mt. Washington Valley Band.

13. June 15. John Stark cacheted letter mailed from Freedom. Mt. Washington Valley Stamp Club.

14. June 21. Arrival of the Town Flags and the distribution of 92 of them in the week following.

15. June 27. Bicentennial Concert by Mt. Washington Valley Choral Society, 68 voices, under the direction of B. Richard Wright, Jr. Kennett High School Auditorium.

16. July 1. Colonial Wheel Herb Garden completed at the base of Cranmore Mt. by the Mt. Garden Club under the direction of Gertrude Pevarnek.

17. July 2. Bicentennial Costume Ball by the Ralph Shirley American Legion Post No. 46. At the Legion Hall on Tasker Hill Road. Exhibition dances by the Mt. Washington Valley Stompers.

18. July 4. Morning Church Service patterned after one of 1776. Second Congregational Church in Conway.

19. July 4. Parade in Conway Village at 1:15 p.m. by the Ralph W. Shirley Post No. 46 and the Conway Chamber of Commerce Concert on the grounds of the St. Charles Church on Main Street following the parade.

20. July 4. Ringing of bells throughout the town and broadcast of bells from WBNC for two minutes at 2 p.m. This was exactly 200 years from the precise moment that Liberty Bell proclaimed the independence of the new nation.

21. July 4-10. Wearing of Colonial costumes throughout the town.

22. July 5. Dedication of the monument at the Smith-Eastman Covered Bridge site on the first anniversary of the destruction of the bridge. Memorial plaque under the direction of Arthur Desjardins. Participants in the program: Rev. Christopher Horvath, Donna Adlington, Kevin Thomas, and Stephen Geiger, and Helen Nute.

23. July 17. Conway Bicentennial Parade, provided for by the Town Meeting of 1973. American Legion Post No. 95, with Dana Haley as chairman. Seventeen Musical Units.

24. July 21. Little Red Wagon. Conway Public Library. Quilt Display by school pupils throughout July.

25. July 24-28. Conway Village Festival Week. Crafts Fair, auction, square dancing, music by "The Casuals." Conway Chamber of Commerce and American Legion Post No. 46.

26. July 25. Rock Climbing and Rescue Demonstration on Cathedral Ledge by International Mountain Equipment with the cooperation of the Firemen's Rescue Squad. Beginning at 1 p.m. and lasting about 2½ hours. Joseph Ostroski, chairman.

27. July 27-31. Presentation of "Our Town" by Thornton Wilder, who had such close associations with North Conway. Mt. Washington Valley Theater Co. at the Eastern Slope Theater, North Conway.

28. Aug. 28. Fire Muster at the Skimobile, with eight units participating. 1 p.m..Directed by Francis Deasy.

29. Aug. 28-28. Quilt Display and Demonstration. North Conway and Conway Woman's Clubs. Three illustrated talks about quilts by Miss Marion Stocking.

30. Band concerts by the Mt. Washington Valley Band under the direction of Charles Toor every Sunday night during July and August at the Community Center.

31. Exhibits at the Conway Historical Society during the summer and at the Conway Public Library throughout the year.

32. Spot announcements about the American Revolution on WBNC by Anna Stickney Chapter DAR throughout the year.

33. December 5. Second Bicentennial Concert of the Conway Bicentennial Committee. All Seasons Concert featuring Thomas Patrick Murphy's "Mass in G" by the Mt. Washington Valley Choral Society, and by the Kennett High School Chorus, under the direction of B. Richard Wright, Jr. Director of Choral Music in Kennett High School.

The committee has the highest praise for the many people who contributed so much time, effort, and talent to providing these programs; and thanks the many, many people who showed their appreciation and support by attending the meetings and performances.

Helen E. Nute, Chairman

VITAL STATISTICS

TO THE SELECTMEN — in compliance with an act of Legislature passed June session 1887, requiring clerks of towns and cities to furnish a transcript of the records of births, marriages, and deaths to the municipal officers for publication in the Annual Report, I hereby submit the following:

Births Registered in the Town of Conway, N. H., for the Year Ending December 31, 1976.

Date of Birth	Name of Child	Name of Father	Maiden Name of Mother	Birthplace of Father	Birthplace of Mother
1973 Mar. 23	Angela Lee	Fred L. Clark	Leola M. Little	New Hampshire	New Hampshire
1975 Sept. 25	Kurt Nelson	John R. Ward	Ellenor N. Johnson	Pennsylvania	Massachusetts
